**REGISTRATION FOR MULTIPLE ATTENDEES:**

In order to ensure a smooth and accurate registration process, Winston's Wish Foundation would like to remind our workshop participants that **we must have a complete registration form for each attendee**. Please download and fill out addition form if you have multiple attendees.

**Our Cancellation Policy:**

Winston's Wish Foundation will accept cancellations and provide a full refund up to 30 days in advance of each workshop. For cancellations received 15 days prior to the start of the workshop, 50% of the registration fee will be refunded. No refunds will be provided for cancellations received 14 days prior to the start of the workshop. A 'Cancellation' is defined as when a registered individual writes or calls and firmly states that they will not be in attendance for the workshop or function for which they are registered.

Winston's Wish Foundation has a No Rain Check policy, however a substitute will be allowed to participate should the original registrant becomes unavailable. In cases of inclement weather, Winston's Wish Foundation will notify all participants of delayed starts or time adjustments through email. If possible, a notice will also be posted on our website. All participants should be advised that if a presenter can reach the venue, the workshop will begin as scheduled.

**Winston's Wish Foundation thanks our community partners for their commitment to education, and to the autism community:**

Education Series presents...

**The Learning Profile of Asperger's and High Functioning Autism: Managing, Communicating, and Understanding Emotions to Enhance the Educational Experience of the Child**

A One-Day Workshop Conducted by:

**Dr. Tony Attwood**

**Columbia Metropolitan Convention Center**  
1101 Lincoln Street  
Columbia, South Carolina 29201  
803-545-0001

**October 17, 2011**  
**8:00 a.m.-5:00 p.m.**

## The Presenter

Tony Attwood is well known for sharing his knowledge of Asperger's Syndrome. He has an Honours degree in Psychology from the University of Hull, Masters degree in Clinical Psychology from the University of Surrey and a PhD from the University of London. He is currently adjunct Associate Professor at Griffith University in Queensland.

Tony has written several publications on Asperger's Syndrome. His book, titled Asperger's Syndrome, has now been translated into several languages.

Tony established a diagnostic and treatment clinic for children and adults with Asperger's Syndrome with Dr. Brian Ross, Child Psychiatrist, in Brisbane in 1992. The clinic operates two days a week and supports children and adults by visiting them at school and home. He also spends a large amount of time travelling to present workshops and papers at national and international conferences, and supervise post-graduate clinical students for clinical experience and research in the area of developmental disorders.

Tony is married to Sarah with three children, Rosie, William and Caroline. They reside in Brisbane, Australia.

## The Workshop

The One-day workshop will cover: managing and communicating emotions, understanding and helping girls and women with Asperger's syndrome, the learning profile of Asperger's Syndrome and High Functioning Autism, and how to enhance the educational experience for both the child and teacher. Dr. Attwood will discuss different subtopics during the duration of the workshop, and will equip participants with different skills and strategies to will enable the recognition, expression and management of emotions. In addition, he will address how to identify girls with Asperger's syndrome who cope by camouflaging their differences, as well as how to adjust the school and home based curriculums to accommodate the cognitive and learning profile of children and adolescents who have High Functioning Autism or Asperger's Syndrome.

### Daily Agenda

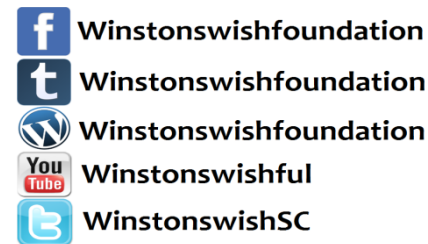

7:30- 8:15	Registration
8:15-8:30	Opening Remarks
8:30-10:00	Asperger's Overview with Managing and Communicating Emotions
10:00-10:30	Break with Bookstore open
